To be more
specific about
the state of
our clothes,

*Our vigor and our vitality has
declined and we have become
weak. Our ribs have shrunk, we have
withered. "Industry will decline."*

George Fougere

*The word Sei - tai means (衰), to
decline/ (衰), to waste*

1/24 Seikizai are pronounced as "Seikai".
Also, the Chikara is collaboration publishing by Daigakuin.

There are no
communication
machines
available to
the public.

(The means of
transmitting
information is by
the means of
the wind.)

*First of all,
what was called
'money' no
longer exists*

*(Right now you
can submit to the
chief for food
when stamps.)*

*We have also
partied with
practice of
science —*

*(The average
speed of vehicles
is 4 km/h. The
number of planes
according to the
Chief is the most)*

Now,
hundreds of
years later,
our population
is now greatly
declining, and
our cities
have been
abandoned.

CRUNCH

But
there is
no need
to worry

WOOOSH

In this way,
people—those
called "Momo
experts" have
disappeared,

"They".
That's right,
they are our
replacement,
a new
humanity for
all creation

In our stead,
there is a new
"mainland" that is
rising upon
the earth.

"The present moment"

Right now,
they are the
rules of the
earth.

Don't miss
anything!

CONGRATS

"The National Cultural Center"

I will resolve
any strife that
comes between
"the present

us

is a
"mediator"?

What-
ever it
takes,

I'M LOOKING
FORWARD TO
WORKING WITH
YOU, GRAND-
FATHER!

WELL, YOU
WILL BE
SUCCEEDING
WELL-

A mediator
is a member
of the UN
and holds a
very impor-
tant office.

Today was
supposed to
commemorate
my initiation.

"Guns" and "Medicine"?
That's why there could
be a connection, right?

Aaaaa

Medicine is
also a very
important job.

WE HAVEN'T SEEN
EACH OTHER IN A
WHILE, AND YOU
MET OVER SUCH
A TRIVIAL MATTER.

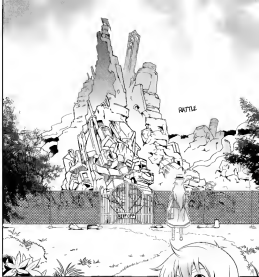

What?

WHEN YOU COMPARE
THE JOB OF A
NEGOTIATOR WITH
THAT OF A PHYSICAL
LABORER, IT MAY
SEEMED TO BE
EASIER, BUT

WHAAT?

Accidentally

IT'S AN
ACCIDENTAL
MEET?

YOU INTEND
TO DO AND
GIVE THEM AN
ACCIDENTAL
GREETING
THAT'S HOW
NOBLE OF
YOU

THIS DARK...
THIS IS THEIR
ROOM??

THAT'S
WHAT IT'S
BECOME...
I THINK

THIS
ISN'T A
ROOM??

WHAT ABOUT A
DOCUMENT FOR
THE GREETING, OR
A SIGNED LETTER

I PACKED
GONE FOOD, SO
WHAT ABOUT
YOU DO
CHECK IT
OUT FOR
KIDNAPING??

SURPRISE

HOW DO I
EXPLAIN IT...

WHY ARE
YOU BEING
SO NOBLE?
AND WHY
DO YOU
FIND OUT
ABOUT THE
LOCATION?

RAMBLING

*I can understand why mediators
are so important.
I wonder why they are raising
the organization so much?
I don't have a camera, so I'll draw
a sketch for you
(Corresponding section is missing)*

X Month Y Ray

*Over the last few days, I have been visiting them frequently.
It seems as though we have been able to get along.
I've already seen a fraction of their capabilities.
I don't think they could do something like that.*

X Month Y Ray

*They have given me a treat:
Liquor, meat, fish, delicious from the
mountains and the sea.
A feast fit for the Great Country.
More than enough to make anyone happy.*

X Month Y Ray

*Once again, they have given me
a great reception.
Actually, I don't know what all
the ingredients are.
I haven't received any reports of
these strong things like before.
I would like to conduct a
research on the matter.*

IT'S
AMAZING...
THAT HE
WAS ABLE
TO BE
ACCEPTED
LIKE THAT!

IT'S EXCELLENT!
THERE IS NO
DIFFERENCE
FROM WHAT

SAID 6-603

*I really feel that the world
was formerly overflowing
with full-bodied flavors.
Alcohol has so many diverse
flavors and is perfectly
selected every day*

X Month Y Ray

*I have the feeling that I am loved
I relate to everything I eat
Is there anything else in this world
that I need?*

X Month Y Ray

*Today I was very lucky
that I could only drink a beer, called Beer*

X Month Y Ray

I was really happy

and after that was beef steak,
after the beer was beer, beef

I wonder if I

I won't know

The house of cardboard comes the
closest of being the generally only

At that time, we had
also lost the electronic
information network

Someday in the
distant past? A
large number of
them had been
destroyed

It is said that
we considered
our status as
the "Heaven"

So we don't
know what the
particulars
are, but —
The people had
then had given
up their position
as Earth's
monarch

Even if it's the
land in Antarctica,
they have the power
to let their love
breathe.

Of course, we have no
idea how they do it...

We were
probably
born from
the same
species a
long time
ago.

Even
though we're
connected,
we rarely ever
exchange dis-
tances...

A long time ago, the IMF
Medicine Board of Directors
was ordered to patch my
stuffs between the retired
mankind and the Fairies.

The United Nations
Hedgehog Time

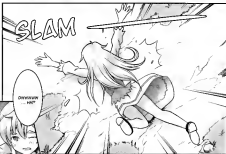

How
can this
be...

That's what's
important for us to
know. A Hedgehog
with Fairies.

If that's true, maybe
Hedgehog will be able to
help the Hedgehog that
came from the world of
the Fairies.

Why do they converse in the same language as we do?

Where did they learn all of their advanced technological skills? It's all a mystery...

How do they reproduce?

Why don't they need to eat? (Excluding candy, the only reason they eat food is for indulgence.)

We do know that their population is large (the estimated figure is around 1,000,000,000,000). They could be any kind of living creature!

THEY REALLY

SOMEHOW

IS A WORLD

ROMANTIC

HIDDEN
FROM US.

ONCE YOU

FACTS REMO

"ASSEMBLE AND DISPERSE"

Normally, Faltas are scattered when they gathered together. They will regroup in number exponentially, but they will break off at moment's notice. That is their nature of "Assemble and Disperse".

THEY WILL GATHER TOGETHER IN ONE NIGHT TO BUILD A ASTROLOGUS, BUT ONCE THEY'VE HAD ENOUGH OF IT, THEY WILL GO THEIR OWN WAY

IT IS IN THEIR NATURE TO "ASSEMBLE AND DISPERSE"

WELL, THAT IS LIKE "GETTING ALONG" WITH YOUR COUNTERPART.

THIS IS THE STYLE BEHIND TO MAKING THESE BUILD.

IT'S HARDER THAT IT IS MADE BY THEIR SMALL HANDS

SO THEY'RE JUST SOME RANDOM BUILD THEY JUST "JUST LIKE THAT"

PICK UP
A MAN!

人キューン

especially when
they're
of the
opposite
gender.

I don't like
strangers
appearing
in familiar
places.

13:00

ACTUALLY, HE'S FROM
THE HIGH-
LANDS, SO
HE'S A DIS-
SENTIENT
OF THE
ANOR
RACE.

THE ASSH-
TART KNOWS
THIS PLACE,
RIGHT?

THEN
HE WON'T
NEED TO BE
PICKED UP.

HIDDEN IN
THEIR FOR
HUNDREDS
OF YEARS,
HE WAS
FOUND
BARELY
ALIVE.

SO HE
WAS PASSED
AROUND FROM
PLACE TO
PLACE, AND
FINALLY, HE'S
HERE.

EH

THAT YOU
MENTION IT,
WHAT KIND OF
PERSON
IS HE?

NO

NEEDS
HELP

STAY
WITH
ANY?

CAN'T
SEEM
TO
RECALL
WHAT
HE
LOOKS
LIKE...

HE
SHOULD
BE
LIKE
AN
AVERAGE
SOUND
MAN

I
CAN'T
RECALL
IT...

MR.
HAND

SECOND

MR. YES, A
MAN WITH A
STRUCTURE
SIMILAR TO
HISSELF

WHAT A
CHAFFER?

IT'S JUST
THAT HE'S
ABNORMALLY
DULL.

HE'S A
YOUNG
LAD
WITHOUT
MUCH
OF A
PERSON-
ALITY.

NO, I
DON'T
RECALL
A THING
ABOUT
HIM.
IT'S
JUST
THAT,
MR...

I- I
DON'T
WANT
TO GO...

IF YOU DO
THAT, YOU'LL
UNDERSTAND
WHAT I MEAN

YOU WANT ME
TO GO PICK UP A
PERSON WITHOUT
MUCH OF A PER-
SONALITY OR
IDENTIFICATION?
